Tilbyr egen sovesuite på flyet

LUKSUS I LUFTA: Slik vil de nye flysetene på Delta Air Lines' BusinessElite-klasse se ut.

Foto: DELTA AIR LINES

Lei rette seterygger?

HALVOR H. BYFUGLIEN

Fredag 13.10.2006, 08:24

oppdatert 09:34

(Dagbladet.no): Vi er ikke akkurat bortskjemt med setekomfort på flyet etter at lavpristilbudet tok av. Du har kanskje sittet på et fly i det siste der du forgjeves leter etter knappen som skal legge setet bakover?

[Delta Air Lines](#) presenterte denne uka den rake motsetningen. Men så vil det koste også. For det er ikke hvem som helst som booker seg inn på BusinessElite.

Delta er slett ikke det første flyselskapet som tilbyr «sengeplass» på flyet, men kan skryte av å være det første amerikanske.

STREKK UT: Med seteryggen helt nede får businesspassasjerene over 190 centimeter å puste ut på.

Foto: DELTA AIR LINES

Privat plass

De nye sovestolene kan gjøres om til en seng på litt over 190 centimeter. For å gi passasjerene mest mulig ro er stolene plassert bak en skillevegg.

Plassen vil dessuten være utstyrt en privat skjerm, video og et variert musikktilbud.

- Etter som vi fortsetter å vokse med lange destinasjoner i Asia, Afrika og Midtøsten, ønsker vi å tilby våre businesskunder det aller beste når det gjelder komfort og underholdning, sier Jim Whitehurst i Delta Air Lines.

Klart i 2008

De nye setene vil først bli installert i to nye Boeing 777-maskiner som er på vingene tidlig i 2008. I løpet av året vil også selskapets øvrige 777-flåte få de nye setene. Senere vil tilbudet om liggende seter også gjelde 767-flyene.

Delta flyr til 292 destinasjoner i 46 land.
